BOOK SYNOPSIS

The fates of a warrior angel and a bespelled mermaid are forever entangled in the fourth Blood Prince series novel by bestselling author Jennifer Blackstream. A warrior with a hunger for sin . . . Driven by a terrible hunger for the black souls of evil men, Patricio, divine executioner of the gods, patrols the kingdom with blood on his hands and ice in his heart. The families of his victims sing his praises--the result of a witch's cruel curse that condemns him to be forever surrounded by false adulation. When the curse sours the first hint at romance Patricio has had since becoming the king's heir, his rage is all consuming. Disgusted, he leaves the mermaid in the sea and returns to the palace...only to be shocked when she bargains for the legs to follow him. A mermaid out of her element . . . Marcela's world has been turned upside-down--literally. Once a proud member of her father King Triton's royal guard, she's now the victim of an angel's curse. Enchanted into false adoration bordering on obsession, she traded her tail--and her voice--to the sea witch for the legs she needed to pursue the object of her desire. In a cruel twist of fate, the very magic that gave her the means to pursue her passion also broke the spell that caused it. Now she's in the angel's arms, but how can either of them trust the desire churning inside them when so much magic has muddied the waters?
