## BOOK SYNOPSIS

As the land of Makayra deteriorates, its people seek the help of one that might save them. The only chance of survival is the return of the goddess of the land yet she is nowhere to be found in their world. Through magic and determination, the Prophecy of Resurgence will come to pass. Their search leads them to discover Lilyana, a shy, young woman hiding behind her books to avoid the interactions of daily life. The Makayrans must transcend time and space, to bring forth the goddess hidden within Lily and find a way to return her to their world before it is too late.
