## BOOK SYNOPSIS

Falling for two men at the same time was something Angel Mabbott never expected to happen. Leaving a past full of pain and loss in California, Angel is determined to make something of her life when she starts college in Minneapolis. But life takes a turn when she finds herself torn between Kevin and Roman. Kevin Hawken is a domineering man who forces himself into Angels life and changes everything she thought she knew. But how much can he be trusted when he is so secretive about himself? Angel was instantly intrigued when she first laid eyes on Roman Conti, an Investment firm owner. He was everything she ever wanted in a man: romantic, loving, and protective over her. As Angel begins to weave a bitter web of desire and deceit, will she find herself consumed, or will she be able to find her way out and follow her heart?
