## BOOK SYNOPSIS

Detoured by personal loss but not defeated, new park ranger Billie Jackson begins a serendipitous journey with fellow travelers on her path to recovering joy. Like a magical potion, the park itself and its unconventional patrons defuse Billie's cynicism and create too much light for dark thoughts to fester. Sometimes provocative, but punctuated with hilarity, *Rescuing Park Ranger Billie* springs from the author's own experiences with loss, caregiving, and park rangers . . .
