## **BOOK SYNOPSIS**

On January 21, 2017, five million people in 82 countries and on all seven continents stood up with one voice. The Womens March began with one cause, womens rights, but quickly became a movement around the many issues that were hotly debated during the 2016 U.S. presidential race--immigration, health care, environmental protections, LGBTQ rights, racial justice, freedom of religion, and workers rights, among others. In the mere 66 days between the election and inauguration of Donald J. Trump as the 45th President of the United States, 673 sister marches sprang up across the country and the world. ABRAMS Image presents Why I March to honor the movement, give back to it, and promote future activism in the same vein. All royalties from the sale of the book will be donated to the National Latina Institute for Reproductive Health, the Transgender Law Center, and the Council on American-Islamic Relations.
